

SAN SIMEON

FAMILY OWNED SINCE 1917

PASO ROBLES 2018 RESERVE CABERNET SAUVIGNON

TASTING NOTE

The epitome of Paso Robles Cabernet Sauvignon: San Simeon. On the nose, you encounter the unmistakable notes of our unique selection of French oak barrels with aromas of rich black fruits mingled with violets, cocoa, caramel, and toast.

The palate expresses ripe pomegranate and boysenberry progressing into notes of oak spice, molasses, and dried lavender. Enjoy a long finish featuring full body, distinct minerality, and refined tannins.

FOOD PAIRING

San Simeon Cabernet Reserve is extremely flexible when it comes to food. From hard cheeses and charcuterie to rich cuts of red meat, San Simeon Cabernet Reserve shines. One particular favorite is grilled lamb chops with rosemary and garlic, the dark fruits and cedar notes play beautifully with the spice and meat.

WINEMAKING

San Simeon Cabernet Reserve comes only from the best lots that our estate vineyards have to offer. Small lots are picked and fermented individually with minimal intervention to allow the true expression of the soil and climate. The wines are matured in a unique selection of French oak barrels.

WINEMAKING TEAM

With over 60 years of combined experience, our winemaking team is comprised of Anthony Riboli, Arnaud Debons, and Ben Mayo. With the use of 100% estate-grown fruit, San Simeon wines represent the pinnacle of vineyard to bottle winemaking.

SUSTAINABILITY

Sustainability is our top priority. Our Paso Robles vineyards are certified sustainable by CSWA. At our Paso Robles winery, solar panels provide 100% of the needed electricity, and wastewater is effectively reclaimed and recycled for additional uses.
